

Livin' Part Of Life

Eric Church

(Yeah,
One, two, yeah, one, two, three)I woke up early this mornin'
An' I'm already runnin' late
There's a list of things long as my arm
I won't get dont today
Is it Tuesday? Is it Wednesday?
They're runnin' into each other
Somebody tell me, when is my day
Man, this life is sure bein' a mother[Chorus]
So tomorrow I'm takin' me fishin'
Hang a sign on the door of my life
Tell the world that I've gone missin'
An' I won't be back for a while
I'm so tired of only wishin'
I could leave my troubles behind
I wanna be front porch rockin'
With a big sun droppin' in a blue sky
Kick back an' get high
On the livin' part of life(Yeah, c'mon)They say to keep your spot on the ladder
An' keep that money rollin' in
They say keepin' up with the feelies, boy
You can't back off one inch
But I been puttin' in my time
An' I've built up a pretty good deal
I'm gonna spend some, maybe waste someBefore my time comes an' I wind up deadYeah tomorrow I'm takin'
me fishin'
Hang a sign on the door of my life
Tell the world that I've gone missin'
An' I won't be back for a while
I'm so tired of only wishin'
I could leave my troubles behind
I wanna be front porch rockin'
With a big sun droppin' in a blue sky
Kick back an' get high
On the livin' part of life(Yeah)When I get home tonight
I'll open the window an' let whatever roll in
An' if there's no breeze, that's cool with me
I'll just raise myself, an' wait on the wind, yeah***Correction above *I'll just raise my sail, an' wait on the
wind*Yeah tomorrow I'm takin' me fishin'

Hang a sign on the door of my life
Tell the world that I've gone missin'
An' I won't be back for a while
I'm so tired of only wishin'
I could leave my troubles behind
I wanna be front porch rockin'
With a big sun droppin' in a blue sky
Kick back an' get high
Kick back an' get high
On the livin' part of life(Yeah, bop, bop)
(Bop, Bop, Bop, Bop)
(Yeah)(That one was right)(That's cool)
