

# Anthems for a Seventeen Year-Old Girl

## Broken Social Scene

Used to be one of  
The rotten ones  
And I liked you for that  
Now you're all gone  
Got your makeup on  
And you ain't coming back Bleaching your teeth  
Smilin' flash  
Talking trash under your breath  
(Or under my window) Park that car  
Drop that phone  
Sleep on the floor  
Dream about me
