

# This Is The Night

## Guru Josh Project

All the people around the world  
These are the times to enjoy.  
What if everyone raises their hands to the roof  
You know you came to the right place.This is the night, this is the time,  
I can't stop movin'.  
This is the night, this is the place,  
I can't stop movin'.You got me staring at you,  
Girl oh you're looking so fine,  
I gotta get you, I gotta have you.  
You got me chasing for you,  
Girl oh I'll made up my mind,  
I gotta get you, I gotta have you.This is the night, this is the time,  
I can't stop movin'.  
This is the night, this is the place,  
I can't stop movin'.You got me staring at you,  
Girl oh you're looking so fine,  
I gotta get you, I gotta have you.  
You got me chasing for you,  
Girl oh I'll made up my mind,  
I gotta get you, I gotta have you.This is the night, this is the time,  
I can't stop movin'.
