# What Do You Know (2001 Remastered Version)

## Buzzcocks

Everything happens
Don't look for patterns
You only perceive what you believe
You need only believe to believeA map of illusion
Of this land of confusion
I saw the boy clad in leather
For ever and ever and everWhat do you know?
What do you know?
What do you know?
What do you know?
What do you know?There's no turning back now
I'm under attack now
I don't need a mirror to see
Just what has happened to meThere's no contradiction
Between fact and fiction
I saw the skies open
And I heard the word spokenWhat do you know?
What do you know?
What do you know?
What do you know?
What do you know?What do you know?
What do you know?
What do you know?
What do you know?
What do you know?Everything happens
Don't look for patterns
You only perceive what you believe
You need only believe and you'll believeA map of illusion
Of this land of confusion
I see a boy clad in leather
For ever and ever and everThere's no turning back now
I'm under attack now
I see the skies are open
And I hear the word spokenYou only perceive what you believe
You need only believe to believeWhat do you know?
What do you know?
What do you know?
What do you know?

What do you know?
