

# Break Me (iTunes Originals Version)

Jewel

I will meet you in some place  
Where the light lends itself to soft repose  
I will let you undress me but I warn you I have thorns like any rose  
And you could hurt me with your bare hands  
You could hurt me using the sharp end of what you say  
But I'm lost to you now, there's no amount of reason to save me  
So break me, take me  
Just let me feel your arms again  
Break me, take me  
Just let me feel your love again  
Feels like being underwater  
Now that I've let go  
And lost control  
Water kisses fill my mouth  
Water fills my soul  
So break me, take me  
Just let me feel your arms again  
Make me oh won't you, make me  
Just let me feel your love again
