

Lovely Day (F-Block Remix)

Bill Withers

When I wake up in the morning, love
And the sunlight hurts my eyes
And something without warning, love
Bears heavy on my mind Then I look at you
And the world's alright with me
Just one look at you
And I know it's gonna be
A lovely day
A lovely day When the day that lies ahead of me
Seems impossible to face
When someone else instead of me
Always seems to know the way Then I look at you
And the world's alright with me
Just one look at you
And I know it's gonna be
A lovely day
A lovely day When the day that lies ahead of me
Seems impossible to face
When someone else instead of me
Always seems to know the way Then I look at you
And the world's alright with me
Just one look at you
And I know it's gonna be
A lovely day
A lovely day
