

# American Woman

Lenny Kravitz

Huh, American woman, stay away from me  
American woman, mama let me be Don't come hanging 'round my door  
I don't wanna see your face no more  
I got more important things to do  
Than spend my time growin' old with you Now woman, stay away  
American woman, listen what I say American woman, get away from me  
American woman, mama let me be Don't come knocking 'round my door  
I don't wanna see your shadow no more  
Colored lights can hypnotize  
Sparkle someone else's eyes Now woman, get away  
American woman, listen what I say American woman, I said, get away  
American woman, listen what I say Don't come hanging 'round my door  
Don't want to see your face no more  
I don't need your war machines  
I don't need your ghetto scenes Colored lights can hypnotize  
Sparkle someone else's eyes Now woman, get away  
American woman, listen what I say American woman, stay away from me  
American woman, mama let me be I gotta go, I gotta get away  
Baby, I gotta go, I wanna fly away I'm gonna leave you, woman  
I'm gonna leave you, woman  
I'm gonna leave you, woman  
I'm gonna leave you, woman A-bye, bye, a-bye, bye  
Bye bye, bye bye (American woman)  
You're no good for me and I'm no good for you  
(American woman)  
I look you right straight in the eye an' tell you what I'm gonna do (American woman)  
I'm gonna leave you woman, you know I gotta go  
(American woman)  
I'm gonna leave you woman, I gotta go (American woman)  
I gotta go, I gotta go American woman, yeah
