

# Tears In The Morning

## Beach Boys

Tears in the mornin'  
(I've got tears, I've got tears in the mornin')  
They ain't gonna tell me what to do  
No, no, those tears, I know they're just a warnin'  
(Tears, I've got tears, I've got tears, are a warnin')  
Reminding me I'm missing you So you moved out up to Europe  
You packed your warmth and you took your soul  
Well, I hope you do what you're damn sure of  
A lonely bed here takes on the cold Lose a wife, change my life, we're not together  
A canceled future, well, it's hard on me  
Gone, you're gone, are you gone forever?  
Hope you love the, baby I'm never gonna see And I've got tears in the mornin'  
(I've got tears, I've got tears in the mornin')  
They ain't gonna tell me what to do  
No, no, those tears, I know they're just a warnin'  
(Tears, I've got tears, I've got tears, are a warnin')  
Reminding me I'm missing you Well, you know I lit a candle  
It's in my heart now where it glows  
Day and night, feel my light, it's gonna stand till  
My heart believes in what you chose I won't let nobody carry this load for me  
Guess, I keep a hold on my sorrow  
I've got to feel, now all that you see And I've got tears in the mornin'  
(I've got tears, I've got tears in the mornin')  
They ain't gonna tell me what to do  
No, no, those tears, I know they're just a warnin'  
(Tears, I've got tears, I've got tears, are a warnin')  
Reminding me I'm missing you I've still got tears in the mornin'  
(I've got tears, I've got tears in the mornin')  
They ain't gonna tell me what to do  
No, no, those tears, I know they're just a warnin'  
(Tears, I've got tears, I've got tears, are a warnin')  
Reminding me I'm missing you, I'm missing you
