

Painbirds

Sparklehorse

Advisory - the following lyrics contain explicit language:

Goddamn, it's so very hot
Supposed to come a rain but it's not Oh yeah
Here come the painbirds
Oh yeah
Here come the painbirds Spiral down those hateful dears
Between our skins and burning spheres Oh yeah
Here come the painbirds
Oh yeah
Here come the painbirds Goddamn, it's so very hot
Spiral down those hateful dears
Supposed to come a rain but it's not
Between our skins and burning spheres Oh yeah
Here come the painbirds
Oh yeah
Here come the painbirds Oh yeah
Here come the painbirds
Oh yeah
