Hurts Me

Keri Hilson

I'm standin' at the fork in the road, and I
Don't really know which way to go, it's like
17 years ago all over again, and I, I
I'm a little girl lost alone, and yes
I wanna know what lies ahead, and, yeah, my
Feet are planted & I don't wanna take a step
Cause I won't make it any further with you on my back
Carry your burden, I can't do it this time, goodbye
But then again, do I listen to my heart, are you crying for help
I keep second guessing myself, why
Does it have to be so (Be so)
Hard to let you go (Whoa-ouh)
It's almost sun down (Ahh)
I gotta put my foot down
And I know if I do
It's gonna hurt me
More than it hurts you (Uhh)
I know how much you need me
Breaks my heart, believe me (Ahh)
And I know what I gotta do
But it's gonna hurt me
More than it hurts you
More than it hurts you
More than it hurts you
But it's gonna hurt me
More than it hurts you
More than it hurts you (I said it's gon hurt you babe)
More than it hurts you
But it's gonna hurt me
Now ordinarily I wouldn't give up, I'm no quitter
But under the circumstance,

I think it's better that I wash my hands of ya, love ya (I)
But I'm thinkin' that I can't live with ya
Can't live without ya,
It's something about ya
That makes me wanna stick around & stay settled down
Even if it kills me but I can't
Cause I won't make it any further with you on my back

Carry your burden, I can't do it this time, goodbye (Do it this time, goodbye)
But then again, do I listen to my heart, are you crying for help (Ahh, ey)
I keep second guessing myself, why
Does it have to be so (Be so)
Hard to let you go (Whoa-ouh)
It's almost sun down (Ahh)
I gotta put my foot down
And I know if I do
It's gonna hurt me
More than it hurts you (Uhh)
I know how much you need me
Breaks my heart, believe me (Ahh)
And I know what I gotta do
But it's gonna hurt me (It's gonna hurt me)
More than it hurts you (Hurt you)
More than it hurts you (Hurt you)
More than it hurts you (More than it hurts)
But it's gonna hurt me
More than it hurts you (Hurts you, yeah)
More than it hurts you (I said it's gon hurt you babe)
More than it hurts you (Ouh, why?)
But it's gonna hurt me (I'm walkin away like)
Goodbye
You got me walking away like
Goodbye
