Walnut Tree

Keane

Once there was a great storm
Pushed my head beneath the waves
I was gone
Underneath the walnut tree
Where you said, you'd wait for me
And I waited a long, long timeI waited a long, long time
I waited a long, long time
I waited a long, long time
I waited a long, long timeWhy, why do I come here?
Seeking out the memories I hold in
'Cause you put your spell on me
Made me live in memory
And I'm frozen in just the wrong timeI waited a long, long time
I waited a long, long time
I waited a long, long time
I waited a long, long time
