

# Lay Down Sally

Eric Clapton

There is nothing that is wrong  
In wanting you to stay here with me  
I know you've got somewhere to go  
But won't you make yourself at home and stay with me?  
And don't you ever leaveLay down, Sally, and rest you in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally, no need to leave so soon  
I've been trying all night long just to talk to youThe sun ain't nearly on the rise  
And we still got the moon and stars above  
Underneath the velvet skies  
Love is all that matters  
Won't you stay with me?  
And don't you ever leaveLay down, Sally, and rest you in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally, no need to leave so soon  
I've been trying all night long just to talk to youI long to see the morning light  
Coloring your face so dreamily  
So don't you go and say goodbye  
You can lay your worries down and stay with me  
And don't you ever leaveLay down, Sally, and rest you in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally, no need to leave so soon  
I've been trying all night long just to talk to youLay down, Sally, and rest you in my arms  
Don't you think you want someone to talk to?  
Lay down, Sally, no need to leave so soon  
I've been trying all night long just to talk to you
