Robot

Robin Gibb

Robot, robot
Ro-ro-ro-ro-ro-robot
Robot, robot
Ro-ro-ro-ro-ro
Ain't never noGonna caress you
You can invest your time with me - don't stay away
If you're in danger
I will engage the enemy - night and dayWon't be robot, robot
Never be a robotIf you wanna use me
If you wanna lose me
This time
Quicker than lightening
There will be a frighteningAin't never no way
Gonna be a robot for you - ain't no way
Never be a robot for you - slip away
Touch you like a tidal wave
Something that you can't control
Blowing like a hurricane
Something you can see but you never can know
Never be a robot for you - ain't no wayAin't gonna be, never gonna be a robot
Ain't gonna be, never gonna be a robotI can be fire
I will ignite you all you need - that's guaranteed
You can be a liar
Treat me like a stranger in your life - just count on meWon't be robot, robot
Never be a robotIf you wanna use me
If you wanna lose me
This time
Quicker than lightening
There will be a frighteningAin't never no way
Gonna be a robot for you - ain't no way
Never be a robot for you - slip away
Touch you like a tidal wave
Something that you can't control
Blowing like a hurricane
Something you can see but you never can know
Never be a robot for you - ain't no wayAin't gonna be, never gonna be a robot
Ain't gonna be, never gonna be a robot
Ain't gonna be, never gonna be a robot
Ain't gonna be, never gonna be a ro...

Never be a robotGonna be a robot for you - ain't no way
Never be a robot for you - slip away
Touch you like a tidal wave
Something that you can't control
Blowing like a hurricane
Something you can see but you never can know
Never be a robot for you - oh-oh-oh, oh-oh-oh
Never be a robot for you - oh-oh-ohTouch you like a tidal wave
Something that you can't control
Blowing like a hurricane
Something you can see but you never can knowNever be a robot for you - oh-oh-oh
