Gotta Get Through This

Daniel Bedingfield

If only I can get out this
I just gotta get through thisI gotta get through this
I gotta get through this
I gotta make, gotta make it, gotta make it throughSaid, I'm gonna get through this
I'm gonna get through this
I gotta take, gotta take my mind off of youGive me just a second and I'll be alright
Surely one more moment couldn't break my heart
Give me 'til tomorrow then I'll be okay
Just another day and then I'll hold you tightWhen your love is pouring like the rain
I close my eyes and it's gone again
When will I get the chance to say I love youI pretend that you're already mine
Then my heart ain't breakin' every time
I look into your eyesIf only I could get through this
If only I could get through this
If only I could get through this
God, God, gotta help me get through thisI gotta get through this
I gotta get through this
I gotta make, gotta make it, gotta make it throughSaid, I'm gonna get through this
I'm gonna get through this
I gotta take, gotta take my mind off of youGive me just a second and I'll be alright
Surely one more moment couldn't break my heart
Give me 'til tomorrow then I'll be okay
Just another day and then I'll hold you tightWhen your love is pouring like the rain
I close my eyes and it's gone again
When will I get the chance to say I love youI pretend that you're already mine
Then my heart ain't breakin' every time
I look into your eyesIf only I could get through this
If only I could get through this
If only I could get through this
God, God, gotta help me get through thisIf only I could get through this
God, God, gotta help me get through this
If only I could get through this
God, God, gotta help me get through thisIf only I could get through this
I just gotta get through this
I just gotta get through this
