

# Gotta Get Through This

**Daniel Bedingfield**

If only I can get out this  
I just gotta get through this I gotta get through this  
I gotta get through this  
I gotta make, gotta make it, gotta make it through Said, I'm gonna get through this  
I'm gonna get through this  
I gotta take, gotta take my mind off of you Give me just a second and I'll be alright  
Surely one more moment couldn't break my heart  
Give me 'til tomorrow then I'll be okay  
Just another day and then I'll hold you tight When your love is pouring like the rain  
I close my eyes and it's gone again  
When will I get the chance to say I love you I pretend that you're already mine  
Then my heart ain't breakin' every time  
I look into your eyes If only I could get through this  
If only I could get through this  
If only I could get through this  
God, God, gotta help me get through this I gotta get through this  
I gotta get through this  
I gotta make, gotta make it, gotta make it through Said, I'm gonna get through this  
I'm gonna get through this  
I gotta take, gotta take my mind off of you Give me just a second and I'll be alright  
Surely one more moment couldn't break my heart  
Give me 'til tomorrow then I'll be okay  
Just another day and then I'll hold you tight When your love is pouring like the rain  
I close my eyes and it's gone again  
When will I get the chance to say I love you I pretend that you're already mine  
Then my heart ain't breakin' every time  
I look into your eyes If only I could get through this  
If only I could get through this  
If only I could get through this  
God, God, gotta help me get through this If only I could get through this  
God, God, gotta help me get through this  
If only I could get through this  
God, God, gotta help me get through this If only I could get through this  
I just gotta get through this  
I just gotta get through this
