

# Ineffable King of Darkness (Live 1998)

## Dark Funeral

I am one with satan  
I am the horned beast  
I am thy mighty emperor  
ruler of the dark domain  
my body is a temple  
wherein all demons dwell  
a pantheon of flesh am I  
am I hail me the horned one  
I am the beast I am the truth  
I am everything  
wherever life is born  
I am the flame  
wherever death will strike  
I am the knife  
wherever evil dwells  
I am the one behind in front of the ineffable king of darkness  
you shall die!!! I am one with satan  
I am the horned beast  
I am thy mighty emperor  
ruler of the dark domain  
my body is a temple  
wherein all demons dwell  
a pantheon of flesh am I hail me the horned one  
I am the beast rege satanas, ave satanas, hail satan!
