

Colony Of Birchmen (feat. Josh Homme)

Mastodon

This forest is growing faster than I can tell
Cell structure eats away at a massive swell
Seems, however, I'm a victim of circumstance

Hunt for ogres and dwarfs

Lion slicer

Run with death

Run with death

White faces coming closer with every step
Earth envelopes taking breath without happenstance
Carve my teeth out, ripping through the sheep's head curse

Hunter gatherer

Ridden from the cave Run with death

Run with death

Gone away

My heart's gone away

Taking everything

My heart's gone away

Take it now Run with death

Run with death

Gone away

My heart's gone away

Taking everything

My heart's gone away

Take it now
