

Worth It All

Farrah Newton

I donâ€™t understand your ways
Oh but I will give you my song
Iâ€™ll give you all of my praise
Cause you hold on to all my pain
And with it you are pulling me closer
And pulling me into your ways.

Now around every corner
And up every mountain
Iâ€™m not looking for crowns
Or the water from fountains.
Iâ€™m desperately seeking
Lord Iâ€™m frantic believing
That the sight of your face
Is all that Iâ€™m needing
I wanna say to youâ€¦that

Itâ€™s gonna be worth it
Itâ€™s gonna be worth it
Itâ€™s gonna be worth it all
I believe this
Itâ€™s gonna be worth it
Itâ€™s gonna be worth it
Itâ€™s gonna be worth it all
I believe this

Cause I donâ€™t understand your ways
Oh but I will give you my song
Iâ€™ll give you all of my praise
Cause you hold on to all my pain
And with it you are pulling me closer
And pulling me into your ways.

So around every corner
And up every mountain
Iâ€™m not looking for crowns
Or the water from fountains
Iâ€™m desperately seeking

Lord Iâ€™m frantic believing

That the sight of your face
Is all Iâ€™ll ever Need
I wanna say to youâ€”that

Itâ€™s gonna be worth it
Itâ€™s gonna be worth it
Itâ€™s gonna be worth it all
I believe this
Itâ€™s gonna be worth it
Itâ€™s gonna be worth it
Itâ€™s gonna be worth it all

So now around every corner
And up every mountain
Iâ€™m not looking for crowns anymore
Or the water from fountains.
Iâ€™m desperately seeking
Lord Iâ€™m frantic believing
That the sight of your face
Is all that Iâ€™m needing

-Youâ€™re all I need Lord
-I will lift my voice to you and sayâ€”

Youâ€™re gonna be worth it
Youâ€™re gonna be worth it
Youâ€™re gonna be worth it all
I believe this
Youâ€™re gonna be worth it
Youâ€™re gonna be worth it
Youâ€™re gonna be worth it allâ€”

â€”It will be worth it all
When we see Jesus
Lifeâ€™s trials will seem so small
When we see Christ
One glimpse of his sweet face
All sorrow will erase
So bravely run this race
Tillâ€™ we see Christâ€”
