

# For A Pessimist, I'm Pretty Optimistic

## Paramore

Just talk yourself up and tear yourself down  
You've hit your one wall, now find a way around  
Well, what's the problem? You got a lot of nerve So what did you think I would say?  
No, you can't run away, no, you can't run away  
So what did you think I would say?  
No, you can't run away, no, you can't run away  
You wouldn't I never wanted to say this  
You never wanted to stay  
I put my faith in you, so much faith  
And then you just threw it away  
You threw it away I'm not so naive, my sorry eyes can see  
The way you fight shy of almost everything  
Well, if you give up, you'll get what you deserve So what did you think I would say?  
No, you can't run away, no, you can't run away  
So what did you think I would say?  
No, you can't run away, no, you can't run away  
You wouldn't I never wanted to say this  
You never wanted to stay  
I put my faith in you, so much faith  
And then you just threw it away  
You threw it away You were finished long before  
We had even seen the start  
Why don't you stand up? Be a man about it  
Fight with your bare hands about it now I never wanted to say this  
You never wanted to stay, well did you?  
I put my faith in you, so much faith  
And then you just threw it away I never wanted to say this  
You never wanted to stay  
I put my faith in you, so much faith  
And then you just threw it away
