

# Love Story (Tony Moran & Warren Rigg's Radio Mix)

Katharine McPhee

(Oo, oo, oo)  
I think it was the summertime  
When I laid eyes on you  
I didn't even know your name  
Somehow we'd ended up in the same room  
It never crossed my mind  
I never saw you like that  
I should've listened to my best friend  
She knew we'd be a perfect match  
It's a typical love story  
We started out as friends  
We met way back when  
This is just a  
Typical love story  
The boy you never wanted just steals your heart  
I never saw it coming 'till I fell so hard  
(Oo, oo, oo) I always made up some excuse  
Saying that you weren't my type  
Didn't wanna face the truth  
Didn't wanna cross that line  
'Till one day I saw you  
Out the corner of my eye  
You were flirting with some girl  
And inside I thought I would die  
It's a typical love story  
We started out as friends  
We met way back when  
This is just a  
Typical love story  
The boy you never wanted just steals your heart  
I never saw it coming 'till I fell so hard  
Can't believe it's happening  
When I least expected  
My prince under disguise  
How you fooled me with those eyes  
When I feel like I am blue  
In your arms is where I knew  
I am wrong  
From the beginning we always belong  
(Love story love) (This is my  
This is my love story  
This is my love story) It's a typical love story  
We started out as friends (friends)  
We met way back when  
This is just a  
Typical love story  
The boy you never wanted just steals your heart

I never saw it coming 'till I fell so hard  
It's a typical love story  
We started out as friends  
We met way back when  
This is just a  
Typical love story  
The boy you never wanted just steals your heart  
I never saw it coming 'till I fell so hard
