Dance On Little Girl

Paul Anka

Dance dance on little girl In the arms of someone new As you dance as you twirl My heart dances with youDance dance on little girl But tell me, what I've done wrong? Why should he hold you tight While they're playing our song?I am watching you Oh! No, no it cannot be While I'm watching you I'm wishing hoping it for meDance dance on little girl Tell me why did we part? Dance dance on little girl Dance out of my heartI am watching you No, no it cannot be While I'm watching you I'm wishing hoping it for meDance dance on little girl Tell me why did we part? Dance dance on little girl Dance out of my heartOh! Look at you, there you go go go Oh! Yes you know, that you're wrong wrong wrong Because you know you gone gone gone Yes you know that you gone gone gone, right out of my heart
