

# Summer Fling

## The Floozies

I know im gonna lose you,  
But im gonna smile, while it last.  
And when i miss you, i'll be thankful,  
I've got to kiss you,  
And i'll remember everything we did and all the sex we had.

I know im gonna lose you,  
But im gonna smile, while it last.  
And when i miss you, i'll be thankful,  
I've got to kiss you,  
And i'll remember everything we did and all the sex we had.
