Fall On Me

R.E.M.

There's a problem feathers iron Bargain buildings, weights and pulleys

Feathers hit the ground before the weight can leave the air

Buy the sky and sell the sky and tell the skyDon't fall on me (what is it up in the air for?) (it's gonna fall)

Fall on me (if it's there for long) (it's gonna fall)

Fall on me (it's over, it's over me) (it's gonna fall) There's the progress we have found (when the rain)

A way to talk around the problem (when the children reign)

Building towered foresight (keep your conscience in the dark)

Isn't anything at all (melt the statues in the park)

Buy the sky and sell the sky and bleed the sky and tell the skyDon't fall on me (what is it up in the air for?) (it's gonna fall)

Fall on me (if it's there for long) (it's gonna fall)

Fall on me (it's over, it's over me) (it's gonna fall)Don't fall on meWell, I could keep it above But then it wouldn't be sky anymore

So if I send it to you, you've got to promise to keep it wholeBuy the sky and sell the sky and lift your arms up to the sky

And ask the sky and ask the skyDon't fall on me (what is it up in the air for?) (it's gonna fall)

Fall on me (if it's there for long) (it's gonna fall)

Fall on me (it's over, it's over me) (it's gonna fall)Don't fall on me (what is it up in the air for?) (it's gonna fall)

Fall on me (if it's there for long) (it's gonna fall)

Fall on me (it's over, it's over me) (it's gonna fall)Fall on me, don't fall on me (what is it up in the air for?) (it's gonna fall)

Fall on me (if it's there for long) (it's gonna fall)

Fall on me (it's over, it's over me) (it's gonna fall)Fall on me, don't fall on me
