

Xtra Ordinary

Wayne Wonder

This is no ordinary love no,
This ain't no ordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love Your confidence, girl, I can see,
You're with me Barbie, baby, please take my hand
Let me show you the way to my world
Where there's flowers in abundance for you, girl Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love
Tonight is special, girl
I'm taking you out to dine
You can order whatever
My cards won't be declined
All inclusive, that's how I do it
I'd even open doors and pull chairs for you Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love Upon the wings of love
Yeah, girl, we can fly
I'm a lover, I'm not a fighter
So you got to get low with me
I'm love and security
Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love I've got so much love what am I gonna do with it?
I've got so much love what am I gonna do with it?
I've got so much love what am I gonna do with it?
Oh, girl!
Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love
Nothing less than extraordinary love
I've got so much love what am I gonna do with it?
I've got so much love what am I gonna do with it?
I've got so much love what am I gonna do with it?

I've got so much love what am I gonna do with it?

I've got so much love what am I gonna do with it?

Extraordinary love
