

Mission: Stardust

My Life With the Thrill Kill Kult

Hot child, hot rod, hot blood, hot dog
Hot child, hot rod, hot blood Yeah star baby, yeah star baby
 Yeah star baby, take me higher
 Yeah star baby, yeah star baby
Yeah star baby, take me higher Fly me to a place beyond the sun
 Love me, ya rock it to the rhythm
 I want more than pretty kitty thrill me
And cheap kisses in your little dirty movies She trips in dreams through cirrus skies
 She rides the road to paradise
 Her hard love heart lies lost in lust
Vicious vixen, Mission Stardust Yeah star baby, yeah star baby
 Yeah star baby, take me higher
 Yeah star baby, yeah star baby
Yeah star baby, take me higher Fly me to a place beyond the sun
 Love me, ya rock it to the rhythm
 I want more than pretty kitty thrill me
And cheap kisses in your little dirty movies Stranger than strange is strangelove's hand
 Little hunger Venus in Wonderland
 Her hard love heart lies lost in lust
Vicious vixen, Mission Stardust Yeah star baby, yeah star baby
 Yeah star baby, take me higher
 Yeah star baby, yeah star baby
Yeah star baby, take me higher Starbaby
 (Take me higher, take me higher)

(Higher, higher) Glamor is my only weapon She trips in dreams through cirrus skies
