

You're My Latest, My Greatest, Inspiration

Teddy Pendergrass

I've been so many places
I've seen so many things
But none quite as lovely as youMore beautiful than the Mona Lisa
Worth more than gold
And my eyes have the pleasure to beholdYou're my latest and my greatest
My latest, my greatest inspirationThings never looked clearer
Peace within never felt nearer
My burden's gone, it's turned into a songTender as a baby's touch
I needed you, oh, so much
At last the load is so lightYou're the latest and my greatest
My latest, my greatest inspirationI plan to give you all that I have
I'll be everything, everything you think I am
You make life a joy to live
And I'm thankful, yes, I'm blessed just to know youI've been so many places
I've seen so many things
But none quite as delectable as you
More beautiful than the Mona Lisa
Worth more than gold
And my eyes have the pleasure just to beholdYou're my latest, tell you you're my greatest
My latest, my greatest inspiration
You inspire me, inspire me
Don't you know, my latest, my greatest inspirationYou keep just keep on liftin' me up now
(Higher)
