

A Fool For Love

[Bryan Ferry](#)

In days gone by
There was a king
A fool for love
And all it brings So high and wise
Could read your mind
A fool for love
And love is blind A crowded street
An empty train
A fool for love
You cry in vain In days gone by
There was a queen
A fool for love
And all it means Red ruby lips
Don't touch my eyes
A fool for love
And love is blind Like flowers in the rain
I'm twisted up inside
I'll never be the same I hear the same old lines
You played me for a fool
You really hurt my pride
