Kiss Me In The Car

John Berry

Remember that 65 mustang that I bought in '74
I used to like to take you driving and get lost on those old dirt roads
And we'd pull off on the side and then I'd hold you tight
Let's do that tonightCome on and kiss me in the car
Kiss me in the car, yeahNow we can sit out in the driveway
Do it the right way from the heart
Let me take you back
And we'll find that same old starCome on and kiss me in the car
Kiss me in the car
Kiss me like you used to, babyNow that old rusted out Mustang, sitting up in the garage
Seems the only time you kiss me is when I'm heading out for my job
I called you to say, we need to have a day
Baby, it ain't too lateCome on and kiss me in the car
Kiss me in the car, yeahNow we can sit out in the driveway
Do it the right way from the heart
Let me take you back
And we'll find that same old starCome on and kiss me in the carNow we can sit out in the driveway
Do it the right way from the heart
Let me take you back
And we'll find that same old star
Come on and kiss me in the car
Kiss me in the car, yeahGonna take you for a ride, take you for a drive
Gonna take you for a ride, take you for a drive
