

Somebody's Watching Me

Columbia River Players

Who's watching?

Tell me who's watching.

Who's watching me? I'm just an average man, with an average life.

I work from nine to five; hey hell, I pay the price.

All I want is to be left alone in my average home;

But why do I always feel like I'm in the Twilight Zone, and I always feel like somebody's watching me.

And I have no privacy.

Woh, I always feel like somebody's watching me.

Tell me is it just a dream? When I come home at night.

I bolt the door real tight.

People call me on the phone I'm trying to avoid.

Well, can the people on T.V. see me.

Or am I just paranoid? When I'm in the shower.

I'm afraid to wash my hair.

'Cause I might open my eyes

And find someone standing there.

People say I'm crazy.

Just a little touched.

But maybe showers remind me of

"Psycho" too much.

That's why. . . I always feel like somebody's watching me.

And I have no privacy.

Woh, I always feel like somebody's watching me.

Who's playing tricks on me? Who's watching me?

I don't know anymore . . . are the neighbors watching

Who's watching?

Well, it's the mailman watching me: and I don't feel safe anymore.

Tell me who's watching.

Oh, what a mess. I wonder who's watching me now,

(WHO?) the I.R.S.? I always feel like somebody's watching me.

And I have no privacy.

Woh, I always feel like somebody's watching me.

Who's playing tricks on me? I always feel like somebody's watching me.

I always feel like somebody's watching me.

I always feel like somebody's watching me.

I always feel like somebody's watching me.

I always feel like somebody's watching me. I always feel like somebody's watching me.

And I have no privacy.

Woh, I always feel like somebody's watching me.

I can't enjoy my tea.I always feel like somebody's watching me.

I want my privacy.

Woh, I always feel like somebody's watching me.

Woh, I always feel like somebody's watching me.

Stop playing tricks on me

Woh, I always feel like somebody's watching me.
