

Something Is Calling You (Original Demo Version)

Norah Jones

Don't tell them
They'll only drink your tears
Don't do it
Not in a hundred years You know it, you feel it
I do too, just listen
Something is calling you What difference
Do you think that it makes
If you give
Or if it's you who takes I know it, I feel it
You do too, just listen
You'll hear it calling you What difference
Do you think that it makes
If you give
Or if it's you who takes I know it, I feel it
You do too, just listen
You'll hear me calling you
