

I Smell a Rat

Patty Griffin

I smell a rat, baby
I smell a rat, baby
You'd better watch out
I smell a rat, babe You won't tell me where you been
Whiskey running all down your chin I smell a rat, baby
I smell a rat, baby
You'd better watch out
I smell a rat, baby You come stumbling down the hall
Bump your head up against the wall
Knock down drunk and that ain't all
I know you been having yourself a ball I smell a rat, baby
I smell a rat, baby
You'd better watch out
I smell a rat, baby You come stumbling down the hall
Bump your head up against the wall
Knock down drunk and that ain't all
I know you been having yourself a ball I smell a rat, baby
I smell a rat, baby
You'd better watch out
I smell a rat, baby I smell a rat, baby
I smell a rat, baby
I smell a rat baby, yeah
