

Dancing Tonight

[Kat Deluna](#)

I wanna see ya dance like no one's there
You're all along and you don't care
'Cause this is your night and
Let 'em all stare Baby tonight
Turn the music down
'Cause we'll go dancing, dancing, dancing
Set this floor on fire
Throw your hands higher
Everyone's dancing, dancing, dancing
We'll be dancing tonight Oh I like the sound
I like how the music turns me out
Heart beating to the sound of the bass drum
Feet tapping to the snare on occasion
Hold me now baby
Tell me we're all down with a way in
Don't care about conversation
Let me see your hands and feel your heartbeat racing Baby tonight
Turn the music down
'Cause we'll go dancing, dancing, dancing
Set this floor on fire
Throw your hands higher
Everyone's dancing, dancing, dancing
We'll be dancing tonight Music's in my system
I'm feeling good and baby I've got a mission
I'm tryin' to turn the club up
Make the bar light up
Find a little cutie, cutie for when the club's out
Baby tonight
Turn the music down
'Cause we'll go dancing, dancing, dancing
Set this floor on fire
Throw your hands higher
Everyone's dancing, dancing, dancing
We'll be dancing tonight Turn the music loud
We'll be dancing
Turn this mother out
We'll be dancing
Set this spot on fire
We'll be dancing

Dancing tonight
We'll be dancingBaby tonight
Turn the music down
'Cause we'll go dancing, dancing, dancing
Set this floor on fire
Throw your hands higher
Everyone's dancing, dancing, dancingBaby tonight
Turn the music down
'Cause we'll go dancing, dancing, dancing
Set this floor on fire
Throw your hands higher
Everyone's dancing, dancing, dancing
We'll be dancing tonightHey-o, uh huh
Hey-o, uh huh
Hey-o, uh huh, uh huh, uh huh
We'll be dancing tonight
