

Awakening

Empire of the Sun

Is there a part of me, that's part of you?
If I shed a tear, baby do it then
Is there a part of me that goes to you?
Is there a part to you I haven't seen Give it up and I don't know why
You are never rising
I just wanted you
Will I show you a part is over me?
You're my life
You're my life
You're my life Movement slows
Awakening, we make believe, believe
Awakening
Movement slows
Awakening, we make believe, believe
Awakening I looked through the spots when I spotted you
Making you girls seen that I'm okay
Are you a star? Here's a part of you
Empire of Sun, deep into the flame Give it up and I don't know why
You are never rising
I just wanted you
Will I show you a part is over me?
You're my life
You're my life
You're my life Movement slows
Awakening, we make believe, believe
Awakening
Movement slows
Awakening, we make believe, believe
Awakening Awakening
Awakening Yes I'll hide away from here
Yes I'll hide away from here
That's a place we were from here
That's a place that's far from here Movement slows
Awakening, we make believe, believe
Awakening
Movement slows
Awakening, we make believe, believe
Awakening Awakening
