Crest of Darkness

Rebuild
my soul again
Rebuild
the sense of pain
Rebuild
my fantasy
Rebuild
the beats in meWake me from the longest sleep
Scream before I fall too deep
Demons of the dealers hand
Light ,y way to neverlandWisdom is a given gift
Life is like a night-time shift
Learn to love and learn to hate
This is just a different stateGods
Words
Screens
and scenes
I've seen it all beforeRebuild
my soul again
Rebuild
the sense of pain
Rebuild
my fantasy
Rebuild
the beats in meFill my soul, then let me die
No-one knows that I am I
Shattered dreams incorporate
Death is yet another stateGods
Waords
Screens
and scenes
I've seen it all beforeI am all and I am one
Universe and unicorn
Born to breed and born to sin
Gods beyond and gods above
Feed my hate and grow my love
Timeless in a flawless flood
Learning I am also God[repeat choruses]
