

Seven Hours

[Miranda Lee Richards](#)

For Seven Hours
Your feelin' just fine
In seven days
Everything has changed In seven years
You're still on the run
From the voices inside
And you know it ain't right Walkin' away
From the arms that held you in vain
Fadin' away like the lights of a leavin' train
In seven dreams the darkness surrounds you
And now you're flyin' so high
No one can touch you I watch you walk away
From the arms that held you in vain
Fadin' away like the lights of a leavin' train On a highway on a road to nowhere
You better beware
When the Ides call out your name Sha la la la la la she was the sun
Sha la la la la la now she's gone... Walkin' away
From the arms that held you in vain
Fadin' away like the lights of a leavin' train On a highway on a road to nowhere
You better beware
When the Ides call out your name
Oh I don't, no I don't wanna loose you
What would I do?
Oh I don't wanna' loose you For Seven Hours, you're feelin' just fine
