

Emptiness

Sad Cafe

Mulford-Wilson-Young
Sometimes I get a little lonely
Sometimes I get a little sad
Sometimes I get so sick and tired of people telling me
They're the best friends I ever had
So I just say to them
It's so empty in here
Sometimes I get a little angry
Sometimes I get a little mad
Sometimes I get so sick and tired of people telling me
Everything I do is so bad
I can't get used to all this emptiness
I can't get used to all this emptiness
I can't get used to all this emptiness that I feel
Just isn't real
What is that you're telling me
You can't get used to it
I just want to tell you one thing
Sometimes I get a little confused
Sometimes I just don't know
Just don't know what to do
I don't want all you people telling me
That I'm some, I'm some crazy kind of fool
I can't get used to all this emptiness
I can't get used to all this emptiness
I can't get used to all this emptiness that I feel
Just isn't real
Oh that's just the way I feel
What are you trying to tell me?
I guess I just have to keep on singing
I guess I just have to go right on saying
Oh yeah I'm so empty
