

The Fix

Revocation

A staged play years in the making
Arm your scapegoat, then flip the switch
Thousands march towards beckoning graves
While profits are harvested hand over fist
A system designed with controlling intent cannot be changed from within
The illusion of choice, a coin with one side
The fix is in
Beholden to their corporate masters, politicians privatizing genocide
Condolences offered by the same who pulled the trigger with unblinking eyes
A system designed with controlling intent cannot be changed from within
The illusion of choice, a coin with one side
The fix is in
Sociopathic parasites licking their fingers clean
How many times
must history repeat?
A system designed with controlling intent cannot be changed from within
The illusion of choice, a coin with one side
The fix is in
