Summer Nights

Survivor

Girl it always seems about September That's the time, again I remember the lights And all the fun of those summer nights Young and innocent and livin' fast Didn't know enough to know That a summer love can't last Can't lastThen the snow, it fell without a warning Left me standin' out in the cold My heart shattered, thinking only of yesterday Does me no good to reminisce I can really only tell you this If I had my way, I'd take yesterdayDo you remember those Summer nights all night Dancin' in the light of love (Dancin' in the light of love) Summer nights so right Couldn't last beyond September Summer nights all night Livin' for your love Dreamin' only of You and summer nightsI remember playin' by the shoreline Before the fall when we had it all at our fingertips Buildin' castles in the driftin' sand Raced the waves as they ran to the shore But the tides were turned for ever more And the things we planned Were castles made of sandDo you remember those Summer nights all night Dancin' in the light of love (Dancin' in the light of love) Summer nights so right Couldn't last beyond September Summer nights all night Livin' for your love Dreamin' only of You and summer nightsOoh, summer nights Makin' love beneath the northern lights Ooh, summer nights

Now I'm back on my own again

Ooh, summer nights
We were diamonds in the rough in the moonlight
Ooh summer nights
Now I'm out in the cold again

Back on my own againI remember those

Summer nights all night

Dancin' in the light of love

(Dancin' in the light of love)

Summer nights so right

Couldn't last beyond SeptemberSummer nights all night

Dancin' in the light of love

Summer nights so right

Couldn't last beyond SeptemberSummer nights all night

Dancin' in the light of love

(Dancin' in the light of love)

Summer nights so right

Couldn't last beyond SeptemberSummer nights all night Dancin' in the light of love
