The Promise

Framing Hanley

She said it's just like Hollywood
Now I'm afraid because the boy forgets the girl
While she sits home and waits
But you promised me you won't
And you've never lied so please don'tIf you want L.A. then go to L.A.
Despite the miles between us
My heart will never change
'Cause you're all that it beats for
When you're all back to that doorI'm not saying that I don't believe
I'm exactly where I want to be
Don't you take that from me, noYou know I still get lost in your eyes
With your lips and your kiss and you're in mine
You're all that I needAnd I promise I'll sleep, not tonight
Just knowing you're here by my side
Don't give this up, don't give this upI'm not saying that I don't believe
I'm exactly where I want to be
Don't you take that from me, noYou keep on running, you're running away
I'll be here waiting wishing you could see
But I'll just remember the promise that you made, whoaI'll keep on fighting, I'm fighting for you
I swear I would give you the sun and the moon
If you'll just remember the promise you madeOh, oh, oh, oh
I'm not saying that I don't believe
I'm exactly where I want to be
Don't you take that from me, noI'm not saying that I don't believe
I'm exactly where I want to be
Don't you take that from me
Don't you take that from meWhoa, whoa, whoa, whoa
