

# Little Wing (feat. Ron Wood) [Live In Dublin]

## The Corrs

Now she's walking through the clouds  
With a circus mind  
That's running wild  
Butterflies and zebras  
Moonbeams and fairytales

All she ever thinks about is riding with the windWhen I'm sad she comes to me

With a thousand smiles  
She gives to me, free  
It's alright, it's alright' she says  
Take anything you want from me  
AnythingNow she's walking through the clouds  
With a circus mind  
That's running wild  
Butterflies and zebras  
And moonbeams and fairytales

All she ever thinks about is riding with the windWhen I'm sad she comes to me

With a thousand smiles  
She gives to me free  
It's alright, it's alright' she says  
Take anything you want from me  
AnythingFly little wing  
Yeah, yeahFly little wing  
I want her to fly
