

# That's All

## Thee Midnitters

I can only give you love that last forever  
And a promise to be near each time you call  
And the only heart I own, is for you and you alone  
That's all, that's all

I can only give you country walks in spring time  
And a hand to hold when leaves begin to fall  
And a love whose burning light, will warm the winter night  
That's all, that all

There are those I am sure who have told you  
They would give you the world or a toy  
All I have are these arms to enfold you  
And a love, time can never destroy

If you're wondering what I'm asking in return dear  
You'll be glad to know that my demands are small  
Say it's me that you'll adore for now and ever more  
That's all, that's all

Say it's me that you'll adore for now and ever more  
That's all, that's all!
