Sparks Fly

Taylor Swift

The way you move is like a full on rainstorm
and I'm a house of cards
You say my name for the first time, baby, and I
Fall in love in an empty bar

And you stood there in front of me just
Close enough to touch
Close enough to hope you couldn't see
What I was thinking of

Drop everything now
Meet me in the pouring rain
Kiss me on the sidewalk
Take away the pain
cause I see, sparks fly whenever you smile

Get me with those green eyes, baby
As the lights go down
Something that'll haunt me when you're not around
cause I see, sparks fly whenever you smile

So reach out open handed
and lead me out to that floor
well I don't need more paper lanterns
Take me down, baby bring on the movie star

Cause my heart is beating fast
and you are beautiful
I could wait patiently but
I really wish you would

Drop everything now
Meet me in the pouring rain
Kiss me on the sidewalk
Take away the pain
cause I see, sparks fly whenever you smile

Get me with those green eyes, baby
As the lights go down
Something that'll haunt me when you're not around

cause I see, sparks fly whenever you smile

I run my fingers through your hair
And watch the lights go out
Keep your beautiful eyes on me
gonna strike this match tonight
Lead me up the staircase
Won't you whisper soft and slow
I'd love to hate it
But you make it like a fireworks show

Drop everything now
Meet me in the pouring rain
Kiss me on the sidewalk
Take away the pain
cause I see, sparks fly whenever you smile

Get me with those green eyes, baby
As the lights go down
Something that'll haunt me when you're not around
cause I see, sparks fly whenever you smile
