Beyond the Sea

Kevin Spacey

Somewhere beyond the sea
Somewhere waiting for me
My lover stands on golden sands
And watches the ships that go sailin'Somewhere beyond the sea
She's there watching for me
If I could fly like birds on a high
Then straight to her arms
I'd go sailingIt is far beyond the stars
It is near beyond the moon
But I know beyond a doubt
My heart will lead me there soonWe'll meet beyond the shore
We'll kiss just as before
Happy we'll be beyond the sea
And never again I'll go sailingAnd I know beyond a doubt
My heart will lead me there soon
We'll meet (I know we'll meet) beyond the shore
We're gonna kiss just as before
And happy we'll be beyond the sea
And never again I'll go sailingNo more sailing
So long sailing
Bye bye sailing...
