## Devo

He's been with the world  
Im tired of the soup du jour  
He's been with the world  
Wanna end this prophylactic tourAfraid nobody around here  
Understands my potato  
Think Im only a spudboy  
Looking for a real tomatoHe's been with the world  
Im tired of the soup du jour  
He's been with the world  
I wanna end this prophylactic tourAfraid nobody around here  
Understands my potato  
I think Im only a spudboy  
Looking for a real tomatoHe's been with the world  
And Im tired of the soup du jour  
He's been with the world  
I wanna end this prophylactic tourAfraid nobody around here  
Comprehends my potato  
Guess Im just a spudboy  
Looking for that real tomatoSmart Patrol, nowhere to go  
Suburban robots that monitor reality  
Common stock, we work around the clock  
We shove the poles in the holesWe're Smart Patrol, nowhere to go  
Suburban robots that monitor reality  
Common stock, we work around the clock  
We shove the poles in the holesWe're Smart Patrol, nowhere to go  
Suburban robots that monitor reality  
Common stock, we work around the clock  
We shove the poles in the holes, shove itWe're Smart Patrol, nowhere to go  
Suburban robots that monitor reality  
Common stock, we work around the clock  
We shove the poles in the holesWait a minute, something's wrong  
He's the man from the past  
He's here to do us a favor  
A little human sacrifice  
It's just supply and demandMr. Kamikazi, Mr. DNA  
He's an altruistic pervert

Here to spread some genesMr. Kamikazi, Mr. DNA  
He's an altruistic pervert

Mr. DNA, Mr. Kamikazi  
Here to spread some genes nowMr. Kamikazi, Mr. DNA
