

Sunglasses At Night

Francis Soto

I wear my sunglasses at night, so I can, so I can
Watch you weave then breathe your story lines
And I wear my sunglasses at night, so I can, so I can
Keep track of visions in my eyesWhile she's deceiving me, cuts my security
Has she got control of me, I turn to her and say"Don't switch the blade on the guy in shades, oh no
Don't masquerade with the guy in shades, oh no, I can't believe it
'Cause you got it made with the guy in shades, oh no"And I wear my sunglasses at night so I can, so I can
Forget my name while you collect your claim
And I wear my sunglasses at night so I can, so I can
See the light that's right before my eyesWhile she's deceiving me, she cuts my security
Has she got control of me, I turn to her and say"Don't switch the blade on the guy in shades, oh no
Don't masquerade with the guy in shades, oh no, I can't believe it
Don't be afraid of the guy in shades, oh no, it can't escape you
'Cause you got it made with the guy in shades, oh no"I said, "I wear my sunglasses at night, I wear my
sunglasses at night
I wear my sunglasses at night"
I say to you now, "I wear my sunglasses at night
I wear my sunglasses at night, I wear my sunglasses at night"
I cry to you, I wear my sunglasses at night
I wear my sunglasses at night
