

# Restless

## Hal Kemp & His Orchestra

Saw your head turn  
A bit too far to the right now  
Saw the eye go a little spark  
When she walks by now  
But if you wanna love  
You wanna love another girl  
I'll leave it up to you  
But I won't be tested  
(You feel restless now)  
While you feel restless  
(Restless)  
Now I'm wondering every time  
That you hold me  
Well, should I question  
Anything you have told me  
But if you wanna love  
You wanna love another girl  
I'll leave it up to you  
But I won't be tested  
(You feel restless now)  
While you feel restless, yeah  
(Restless)  
I remember when you and I were a nation  
I could trust you in any dark situation  
But if you wanna love  
You wanna love another girl  
I'll leave it up to you  
But I won't be tested  
(You feel restless now)  
While you feel restless  
(Restless)
