

Queen of My Heart

DeBarge

She the queen of my heart
She plays very great part in me
I'm meShe the queen of my heart
And that's a very great start in me
Can't you seeI don't know why she love me so
Why I guess I'll never know
But I can tell she really care for me
So I'll give her love to last a life time
That will never dieOh how I love that girl
She's the queen of my heartShe's the queen of my heart s
She captured every part in me
In meShe's the queen of my heart s
And that's a very great start in me
Can't you seeI can't explain the joy she bring she captures all those hidden things
And no one ever took the time to find
So I'll give her love to last a life time
That will never dieOh how I love that girl
She's the queen of my heartI was alone trying to find someone to love me
As I went on my way I kept my search in pain and misery
For no one cares for me
But that alright she beg for me my friend
That's when my baby she step in
And that is why I sing this song for her
She's the queen of my heartShe's the queen of my heart
She plays very great part in me
I'm meShe's the queen of my heart
She plays very great part in me
I'm meIn meYeahShe She's the queen of my heart
She plays very great part in me
I'm me
