The Most Beautiful World In The World

Harry Nilsson

You come to the end and the light there is dimmer
The chances are slimmer of findin' your way
You find that you stay out of trouble and danger
'Cause everything's stranger than it used to beYou're a scary old place out there, world
But I couldn't be happy without you
And I swear all my thoughts are about you
The most beautiful world in the worldWell, the light can be bright there and everything right there
The end of the night there might be a big band
Or a heavenly choir or it might be the fire
But no matter what happens, I bet, it's okayYou're a scary old place out there, world
But I couldn't be happy without you
And I swear all my thoughts are about you
The most beautiful world in the worldYour mountains when you're mad
Your rivers when you're sad and those deep blue seas
I love you for your snow, your deserts down below
I love the way you wear your treesThe most beautiful world in the world
And though there are times when I doubt you
I just couldn't stay here without youSo when you get older and over your shoulder
You look back to see if it's real
Tell her, she's beautiful, roll the world over
And give her a kiss and the feel
