

# Down

## Nota

Baby, are you down, down, down, down, down?  
Down, down  
Even if the sky is falling down?  
Down, down You oughta know  
Tonight is the night to let it go  
Put on a show  
I wanna see how you lose control So leave it behind  
'Cause we have a night to get away  
So come on and fly with me  
As we make our great escape So baby, don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry Baby, are you down, down, down, down, down?  
Down, down  
Even if the sky is falling down?  
Down, down Just let it be  
Come on and bring your body next to me  
I'll take you away  
Turn this place into our private getaway So leave it behind  
'Cause we have a night to get away  
So come on and fly with me  
As we make our great escape Baby, don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry Baby, are you down, down, down, down, down?  
Down, down  
Even if the sky is fallin' down?  
Down, down  
Baby, are you down, down..Baby, are you down, down, down, down, down?  
(And the sky is falling down)  
Down, down  
Baby, are you down, down, down, down, down?  
(Are you down? Are you down?)  
Down, down  
Even if the sky is falling down?

(And the sky is falling down)  
And the sky is falling down
