

Your New Boyfriend

Moxy Fruvous

(Jian)

Well, it was me, you, and Jacko
and your new buddy Tacco
(rest)

No cause for alarm,
about the flag on his arm.

(Jian)

You said the politics matter,
but we're all getting fatter.

(rest)

You'll take what you get,
with this Republican vet.

(All)

Well, have you really changed
that much since school?
when any Nazi couldn't swim in your pool?

Your new boyfriend's a bit
of a right wing shit.

(Jian)

We gave the finger to Sony,
and threw macaroni.

(rest)

When we first kissed,
(and) Mulroney was pissed.

(Jian)

You said that you would never end up,
with a Goldwater send-up

(rest)

Well that's what you said,
when we were both in debt.

(All)

Well, have you really changed
that much since school?
when any Nazi couldn't swim in your pool?

Your new boyfriend's a bit
of a right wing shit.

(guitar solo)

(All)

Well, have you really changed

that much since school?
when any Nazi couldn't swim in your pool?
You've just got to admit
he's a right wing shit!
he's a right wing shit!
he's a right wing shit!
he's a right wing shit!
